

2021 FIRST LOOK Collection

These selections will be vying for Handpicked For You® certification. Be among the first to try these exciting varieties as part of this industry leading trustmark process. This IGC focused program, sponsored by SynRG®, gives you priority access to new genetics and the opportunity to participate in their evaluation, certification, and promotion. After all, you are the local plant expert – best positioned to determine what plants are most suitable for success in your area.
