## SynRG® Charter Growers Announce Educational Programming for 2021 MANTS

Join industry visionaries and world-class breeders to get a peak behind the curtain of exciting new plant introductions! SynRG® is taking you on a trip around the world to hear the stories behind some of our favorite new plants. All times are Eastern.

### January 6, 2021 | 11:00 AM

Go behind the scenes at **Raymond Evison Clematis** as we join Raymond from his nursery in Guernsey Island. Raymond has spent six decades searching for, breeding and developing the world's best clematis and has developed and introduced over 100 varieties and cultivars. Join us to hear Raymond share his story and learn about his top-quality clematis.

- Webinar ID: 913 6864 8710 & Passcode: 592278

### January 6, 2021 | 3:00 PM

Join rosarian **Ping Lim** for a discussion on building Altman Plants' True Bloom™ rose program and learn about current and future releases. True Bloom™ roses have won many awards, including at the Biltmore International Rose Trials.

- <https://zoom.us/j/93607421885?pwd=QmcrWWxzbTM1dDRKWVfVU3lwR0o5QT0>
- Webinar ID: 936 0742 1885 Passcode: 592278

### January 7, 2021 | 10:00 AM

Join horticultural legend **Dr. Michael Dirr** to hear about his new hydrangea breeding; including three new hydrangea that will be available from SynRG® growers in 2021. Dr. Dirr's lifelong passion for horticulture is well-known and his teaching, research, writing, and plant introductions have made an immeasurable impact on the green industry.

- Webinar ID: 988 4471 1408 & Passcode: 592278

### January 7, 2021 | 1:00 PM

SynRG® is partnering with American Beauties Native Plants® to bring you the opportunity to hear **Doug Tallamy** share his call-to-action for planting native plants and restoring biodiversity. Doug is a professor at the University of Delaware and author of several books, including *Bringing Nature Home: How Native Plants Sustain Wildlife in Our Gardens* and *Nature's Best Hope*.

- <https://zoom.us/j/96093874426?pwd=Nmw5WnM5QkUyUkMzeHV1UmZJWDdkUT09>
- Webinar ID: 960 9387 4426 Passcode: 592278

### January 8, 2021 | 10:00 AM

Attend the unveiling of the new **Handpicked for You®** certification logo and learn why we're Certified to Thrive! Handpicked for You® is a plant certification program designed to rigorously identify the top performing plants and shrubs in specific regional and local markets. We are committed to helping consumers become more successful with outdoor gardening by alleviating the fear of failure.
